Meetings of Council

Please note that Regular Meetings of Council are held on the second Thursday of each month unless rescheduled with public notice. If you have any concerns that you would like to be brought to council's attention, please submit them to the office before 4:00 p.m. on the Wednesday immediately prior to the meeting.

Tax & Tax Enforcement: 2026 Discount

6% Until August 31st

5% until September 30th

4% until October 31st

2% until November 30th

NO discount in December

Taxes are due and payable at the time the taxes are levied. Current taxes are due December 31st in the year they are levied. Any taxes left owing January 1st are subject to a 1% penalty per month and Tax Enforcement. Please note: ratepayers are responsible for ensuring that the Municipality receives payment in full by December 31st to avoid these penalties.

Kennedy Municipal Water Well: Bylaw 05/2004

The Kennedy well located at SW 28-12-03 W2 remains locked at all times, and access shall only be granted by paying an annual fee, signing an agreement with the Municipality, and obtaining a key from the RM office. Access to the well is for residential use only, and it is restricted to landowners residing in the RM of Wawken and RM of Hazelwood.

New Business Property Tax Incentive: Bylaw 01/2022

The RM of Wawken offers property tax incentives to encourage new business ventures assessed as commercial properties within the Municipality. For more information, please contact the RM Office.

Development Applications & Building Permits

Before beginning any type of development within the RM, ratepayers must submit a Development Application to the Office. "Development" includes the construction or alteration of buildings, changes in land use, and the installation or relocation of fences within road allowances. Development must not proceed until the application is reviewed and approved by Council. There is no fee for Development Applications in the RM of Wawken. Additionally, the RM is responsible for the enforcement of The Construction Codes Act, which came into force January 1, 2022. Under this Act, a Building Permit is required for most new construction, renovations, additions, and any buildings with sleeping accommodations. This includes farm buildings with residential or commercial use. Only solely agricultural buildings without residential or commercial use (such as bins, shops, and barns) are exempt. Building permits must be obtained before work begins, and inspections by a Licensed Building Official will be required at key stages. To ensure your project meets all zoning, safety, and legal requirements, please contact the RM Office before starting any construction or development. We are happy to assist you in the application process and answer any questions you may have. For additional information or clarification regarding building permits or inspections, you may also contact MuniCode Services Ltd. at 306-955-6355.

Controlled Burns

In accordance with RM of Wawken Bylaw 1/2018, Council may issue a Fire Ban at any time. Anyone in violation of this bylaw may be subject to fines and penalties. All controlled burns must be reported to the Provincial Controlled Burn Line at 1-866-404-4911 before the burn begins and after it is complete. Failure to report may result in fire department dispatch and full responsibility for response costs.

Custom Work Policy

The Municipal graders will make two passes per year over private lanes (once in the winter and once in the summer) at no charge. To request this service, you must contact the RM Office prior to any work being completed. Each pass thereafter will be considered "Custom Work" and will be billed to the ratepayer at a rate of \$100 per hour. The grader will do lanes only as the ratepayer is responsible for their own yard site. All Custom Work requires an authorization/waiver form to be signed prior to any work being completed.

Private Gravel Requests

Please note that the office will not be contacting ratepayers directly for their gravel needs. A private gravel allotment of 50 yards is available to all ratepayers at a price of \$14 per yard. Price does not include loading and hauling charges and total price is dependent on which gravel pit is used. Please contact the RM office to order as gravel will only be available while the gravel trucks are in your area.

Waste Disposal

- **Garbage & Recycling**
The RM cost shares both a garbage disposal bin and a recycle bin with the RM of Walpole and the Town of Wawota. There is no cost to dispose of appropriate materials in the blue recycle bin, however there is a cost for all garbage being disposed of in the large red bins or in the metal pile. These costs are determined by the Gate Attendant and the Town of Wawota. Only residents of the RM will be allowed to dispose of their waste in these bins. If you see or know of anyone illegally dumping their garbage, please call the TIP line at 1-800-667-7561 or #5555 from you cell.
- **Transfer Station Hours**
April 1st – October 31st:
Saturday 12-5 & Wednesday 1-7
November 1st – March 31st:
Saturday 12-4
- **Ag Plastics**
Collection site is located ¼ mile south of Wawota on Grid 603 on the west side of the road (old Wawota air strip). The following as plastics are accepted: grain bags, twine and silage plastic tarps. Grain bags and silage plastic must be rolled. Twine must be bagged and tightly secured. Net Wrap is NOT accepted. The grain bag roller is also located on site which is open 7 days a week. Please contact Lower Souris Watershed at 306-485-8408 to arrange for use of the roller and CleanFarms recycling bags.

Road Haul Agreements

If you plan to move more than 1,000 yards of aggregate within or out of the municipality, please contact the RM office and your Division Councillor prior to the start of the haul, as a Road Haul Agreement will need to be in place.

Pest Control

The RM employs Pest Control Officers to inspect farmyards and assist with pest eradication. Colton and Danielle Frederickson can be reached at 306-452-8121. Rat poison is available free of charge to RM ratepayers. Under *The Pest Control Act*, all landowners, renters, and tenants are responsible for controlling and eliminating pests on their property. If you require an inspection or assistance with pest control, please contact the RM Office or the Pest Control Officers directly.

2026 Elections

Elections for Divisions 2, 4, and 6 will be held this year. Election day will be Monday, November 9, 2026.

Beaver and Coyote Bounties

The RM offers a \$50 beaver bounty. Pre-approval is required from your Division Councillor before hunting. Beaver tails must be verified by the Councillor, and a Beaver Bounty Form must be completed at the RM Office, including the land location, harvest dates, and total number of beavers harvested. For coyotes, the RM offers \$40 per set of four paws. Only RM of Wawken, Town of Wawota, and Village of Kennedy residents are eligible. Verification by a Division Councillor is required. A Coyote Bounty Form must be obtained from the RM Office before submission.
